Licensed Nurses

- Licensed Nurses with a current, unrestricted license to practice in North Carolina should submit the *RN and LPN Application* to DHSR for approval to be listed on the North Carolina Nurse Aide I Registry.
- Licensed Nurses with an unrestricted license but are not eligible to practice in North Carolina should submit the *Training Waiver Application* to DHSR for approval to take the North Carolina state-approved Nurse Aide I competency evaluation.
- Licensed Nurses with a restricted license should contact the Registry Office for more information.
